GODEY'S LADY'S BOOK

For 1863.
GREAT LITERARY AND PICTORIAL YEAR!
The publisher of Godey's Lady's Book, thankful to the public which has enabled him to publish this Magazine for the last thirty-three years of a larger circulation than any in America, has made an arrangement with the most popular authors in this country—
MARION HARLAND,
Authors of "Auntie," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"
who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.
THE BEST
Lady's Magazine in the World, and the Cheapest.

THE LITERATURE
is of that kind that he read aloud to the family circle, and the clergy in immense numbers are subscribers for this Book.
THE MUSIC
is all original, and would cost 25 cents (the price of the Book) in music stores; but most of it is copyrighted, and cannot be obtained except in "Godey's."
OUR STEEL ENGRAVINGS
All efforts to rival us in this have ceased, and the market alone in this department, giving us, we do, many more and infinitely better engravings than are published in any other work.
GODEY'S
Immense Double Sheet Fashion-Plates.
CONTAINING
From five to seven full length Colored Fashions on each plate. Other magazines give only two. Far ahead of any Fashions in Europe or America.

Godey is the only work in the world that gives the latest and best Fashion Magazine in the public. The publication of these plates costs \$10,000 MORE than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other Magazines cannot afford it. We want no other magazine when the public can be benefited.
These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.
OUR WOOD ENGRAVINGS
of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.
IMITATIONS
Beware of them. Remember that the Lady's Book is the original and the cheapest. If you have Godey, you want no other magazine.
Everything that is useful or ornamental in a house can be found in Godey.
DRAWING LESSONS
No other magazines give them, and we have given enough to fill several large volumes.
OUR RECEPTS
are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the only magazine that contains the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone adds to the price of the Book, LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears. MODEL COTTAGES.
No other magazine has this department.

OUR TERMS.
There is a great deal of talk among our contemporaries about the "great rise in the price of paper," and the necessity for a corresponding rise in the price of newspapers. We do not agree with our friends as to the last proposition. It is true that paper has gone up, but it is fifty per cent. at least, and is "still on its way up." But what of that? Publishers have for years had a good time with low-priced paper, and made large profits; and now that times have changed, and the price of paper has risen, they are to be blamed for not having anticipated the change, and for not having raised their prices. The fact is, that the price of paper will make a difference of ten or twenty cents in the price of a newspaper. We shall not increase the price of our paper, but we shall increase the value of our paper. We shall give you more and better material, and we shall give you more and better service. We shall give you more and better value for your money. We shall give you more and better satisfaction. We shall give you more and better pleasure. We shall give you more and better profit.
